ANY USE OF WMS DOCKS OR FACILITIES IS STRICTLY AT YOUR OWN RISK.

Owner's Signature: Date:

By signing this contract, I am acknowledging the terms and conditions of the attached winter storage letter.

**WILLIS MARINE SERVICE, Inc. WINTER STORAGE TERMS & CONDITIONS**

1. **NO OUTSIDE CONTRACTORS OR LABORERS OF ANY TYPE PERMITTED** in yard, on floats, or on moorings belonging to WMS. Owners may do their own work, provided that they keep the area around their boat broom clean on a daily basis. Owners not following this provision will be billed for clean-up at prevailing yard rates. Wet Sanding of boat bottoms is prohibited.

2. Labor rates applicable to Time & Material (T&M) items on the reverse side of this contract and additional work requested by the owner and performed by Willis Marine Service are:

**Mechanical & Fiberglass Work \$170 per hour**

**All other work \$150 per hour**

**Note mandatory minimum of \$600 of work done by WMS for 35' & up per attached Storage Letter**

3. **SAILBOAT WINTER STORAGE – MAST UP.** We are offering storage for boats **36' and larger ONLY with the mast up.** However, WILLIS MARINE SERVICE does not recommend this type of storage due to the tremendous strain put on boats by high winds during winter storms. There is a potential danger of the boat being blown over, as well as unnatural strain being applied to chain plates, etc. WILLIS MARINE SERVICE WILL NOT BE HELD RESPONSIBLE FOR ANY SUCH OCCURRENCES. Owners are advised to check with their insurance carrier regarding dry storage coverage. Winter Covers MUST NOT be tied to poppets or jack stands.

4. **Wet winter storage runs from November 15-April 1. Boats left after April 1<sup>st</sup> will be charged the transient rate for the time they remain in wet storage.** Wet storage fee must be paid in total before contract is accepted or boat occupies slip at WMS. Each boat will be charged for electricity (if used) and billed to the owner's account. Owners are advised to check with insurance companies as to terms of wet storage insurance.

5. **ALL BOATS STORED AT WILLIS MARINE SERVICE FACILITIES MUST BE INSURED.** Willis Marine Service does not provide insurance for boats in wet or dry storage. **The boat owner agrees to have hull and liability insurance policies in effect during the time the boat is on the premises or at the docks/moorings of Willis Marine Service.** Some insurance policies require boats to be hauled by a specific date. It is the boat owner's responsibility to notify their insurer if their boat has not been hauled by the specified date.

6. Due to the number of boats being hauled/launched and delays due to weather, owners should not plan to be present during hauling/launching. While we cannot guarantee a certain day, we will make every attempt to haul/launch your boat during the desired week, provided you give us ample notice. Traffic congestion prohibits hauling/launching on weekends.

7. To minimize the possibility of fire, **NO ELECTRIC CORDS MAY BE LEFT PLUGGED IN DURING WINTER STORAGE,** and **NO ELECTRICAL HEATERS** may be used. Owners are not permitted to burn paint, light stoves, or use other flammable materials unless under yard supervision. Customer spray painting will not be permitted at Willis Marine Service.

8. It is expressly understood and agreed that Willis Marine Service shall not be held liable in the event a boat, its contents, and/or equipment is lost or damaged through theft, fire, ice/snow damage, vandalism, storm, or act of God, unless such loss or damage results from direct, active & gross negligence of Willis Marine Service, its agents or employees.

9. Willis Marine Service reserves the right to sell, use, or destroy cradles or trailers left in the yard by September 15th, unless notified in writing by August 15<sup>th</sup> of the items disposition.

10. Winter Storage Bills are due on a NET 30 basis. When the balance of any account remains unpaid beyond 30 days, all work will be halted and will not resume until account is paid in full. Your credit card will be charged for any outstanding balance at this time. A finance charge of 1.5% per month, (18% annually) will be added to balances 30 days past due. Minimum finance charge is \$5.00 per month All bills must be paid in full before summer slip contracts are accepted or slips are reserved. No adjustments will be made after 20 days of rendering the bill. An environmental fee of 1.5% will apply to all invoices.

11. All charges shall be a lien against the "vessel", her tackle, furniture, and not withstanding anything in the law to the contrary, shall continue to be a lien until such obligation is fully paid. The costs of collection of any monies due WMS, for any services rendered, materials or supplies purchased, storage or dockage fees and attorney's and Marshall's fees, will be added. If a bill is not paid within 30 days, Willis Marine Service may return the boat to our facility and haul the boat, all at the owner's expense. The payment policies of this contract will be in effect for all obligations to Willis Marine Service for this year and future years.

12. All bills must be paid in full before boat leaves Willis Marine Service in the spring or before it is launched. A \$50.00 service charge will be assessed for returned checks.

13. Summer storage fee is 80% of winter rate. Boats may be moved to summer storage areas at a charge of \$4.00 per ft. The provisions of the winter storage contract will apply to the summer storage period also.

14. When a boat is launched that is not berthed at WMS, a maximum of five days mooring will be provided free. Thereafter, the owner will be charged regular transient fees.

15. **Owners appoint WILLIS MARINE SERVICE, Inc. as exclusive agent for sale of any boat stored in our Yard at customary commission rates.** No outside brokers are permitted to list boats for sale while on WILLIS MARINE SERVICE premises. No "For Sale" sign shall be displayed on any vessel in the Yard, except those expressly authorized by WILLIS MARINE SERVICE. Should any boat at Willis Marine Service be sold by the owner, Willis Marine Service, Inc. shall be paid 3% of the gross sale price for services rendered directly or indirectly thereto.

**I HAVE READ AND ACCEPT ALL WILLIS MARINE SERVICE, Inc. TERMS & CONDITIONS.**
